In February of 1970, Mr. Richard Kirwan, then assistant principal of instruction, served as principal for the remaining second semester at Valley. He officially became principal in September of 1970.

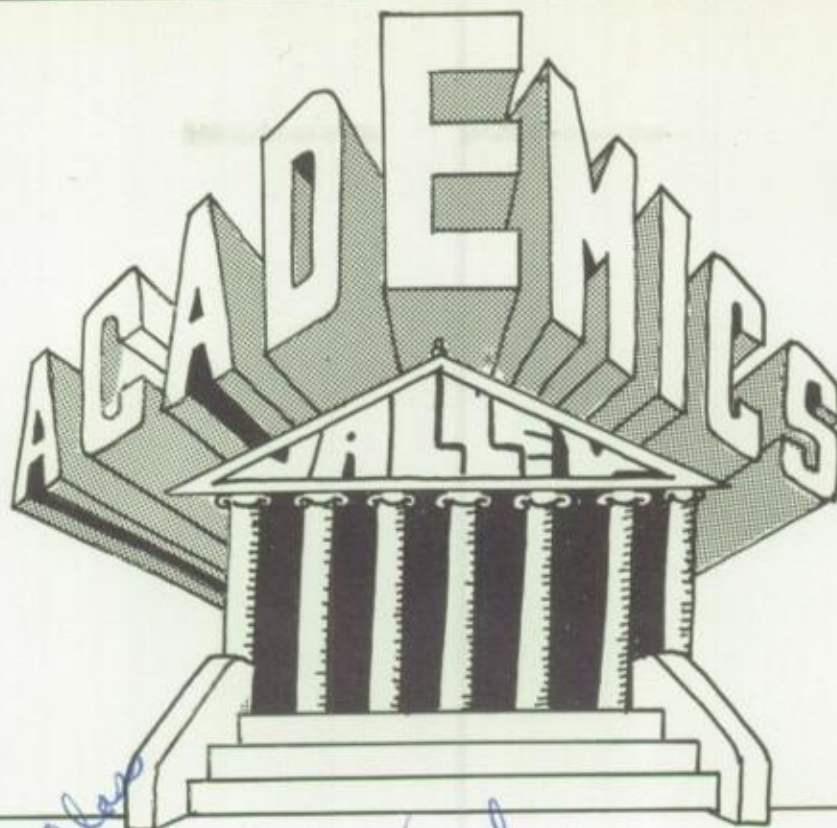

Mr. Kirwan studied at Nebraska State Teachers' College where he obtained his B.A. He then went on to Omaha University where he obtained his M.A.

Mr. Kirwan first came to Valley when it opened in 1959 as a teacher. In 1965 he acted as Vice-principal of Control, and in 1967, after a year as Adult Education Director, he returned to Valley as Vice-Principal of Instruction. Because of this close association with the students and faculty, he, probably more than anyone else, knows Valley intimately.

He has contributed much time and effort both educationally and socially to raise Valley's standards and reputation throughout Santa Ana and Orange County. One has only to visit the campus and talk to the students and faculty to recognize the dedication this man has shown toward Valley.

We the student body of Valley High School dedicate this book, the 1971 TALON, to Mr. Richard Kirwan.

Connie,
Although I sat next
to you all year in History class
I really didn't get to know you.
That well. But that was nobody's fault
but my own. But all kidding aside I really
enjoyed this year, and looking forward to you and
next year.

Good luck

Inter Club Council, headed by Hugh Stevenson first semester and George Abraham second semester, promoted strong unity among the clubs and classes. Along with club presidents and Students Activities Director, Mr. Toby Thurlow, both semester presidents were successful in their attempts to keep club activities running smoothly.

With the start of second semester, President George Abraham got the show on the road and helped to produce a spectacular Spirit Week along with Pep Club and the various other Clubs that organized activities.

Bank of America Awards are presented each year to seniors of high scholastic attainment who possess qualities of leadership and a sense of civic responsibility. Awards are presented to encourage students to further their academic training.

In addition to the eleven certificate winners, four distinguished seniors were honored with plaques.

The versatility of Sue Griset was recognized in her various moods from serious studying and leadership, to her exuberant personality and all out good fun. These distinguishing qualities won for her the title of D. A. R. Good Citizen, as well as a host of friends.

Sue, as winner of D. A. R., was chosen from many candidates who were voted upon by a faculty committee.

The candidates were judged upon the following criteria: dependability, truthfulness, consideration, loyalty, service, punctuality, cooperation, and an unselfish interest in family, school, and community.

GIRLS' AND BOYS' STATE

Girls' State Representative
Ruth Conklin

Ruth Conklin and Jim Davis represented Valley during the summer in the Girls' and Boys' State Program. The eight day program taught that the democratic form of government is still useful and that it can work and work well. Learning the proper procedures, petitioning, filing, and circulating, involved in running for a democratic office were part of the program. Both Ruth and Jim agreed that it was a worthwhile experience.

The California Scholastic Federation (CSF) is made up of Valley's most academically inclined students. A B+ grade average is required for membership in CSF. Members received special Honor Passes allowing them to conduct independent study during the study parts of the periods.

During the year CSF members worked hard, they had bake sale, and members were fascinated by a guest speaker from Yugoslavia who spoke to the club about Communism.

FROM THE AZURE SKY COMES VALLEY'S BLUE
FROM THE SUNSET GOLD OUR AMBER HUE.
BLUE FOR VALOR, GOLD FOR WORTH
WE GO FORTH THROUGHOUT THE EARTH
VALLEY HIGH. WE SING THY PRAISE.
FOR NOW AND ALL OUR DAYS.

WE CAME

When we first arrived at Valley, we were just like any other sophomore class, frightened, excited, and totally confused. This confusion was shown at the first Pep Assembly of the year. We soon decided, however, we must get ourselves together, and we did. We elected Chuck Coleman, Joanne Barnard, Pam Samis, Beverly Carter, and Richard Hathaway to lead us.

As the year progressed, we chose Doris Alfaro to represent our class as our Homecoming Princess. We also showed our school spirit by selling spirit balloons and by sponsoring a noon dance during Spirit Week. It was a proud class that ordered their class rings in the spring.

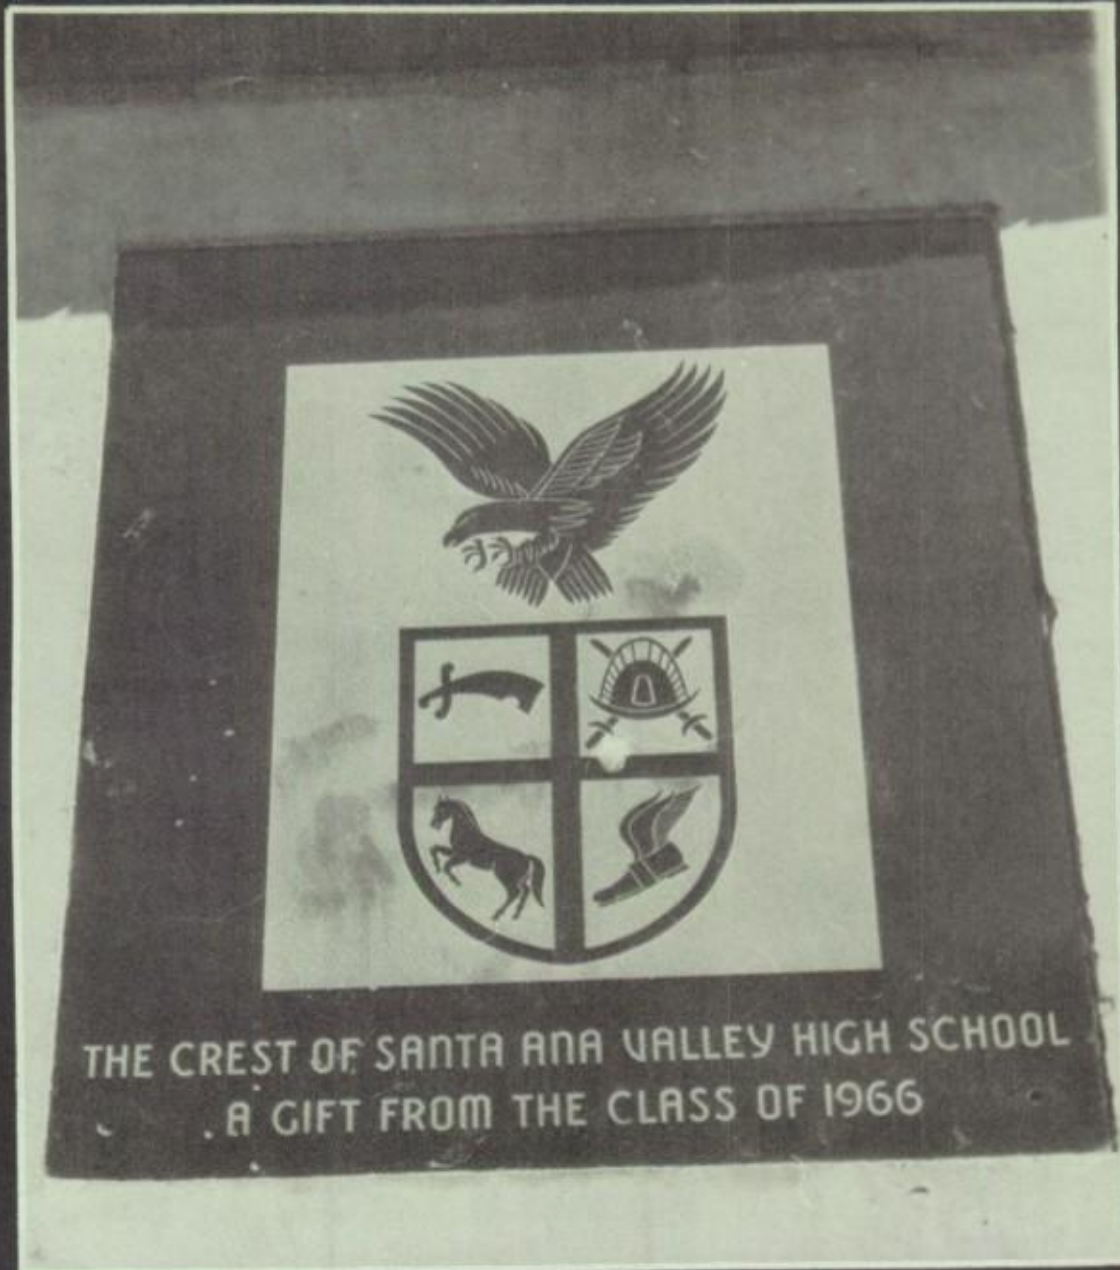

WE SAW

As Juniors, we knew that the responsibility of the junior-senior prom lay on our shoulders, so we set about raising funds. Under the leadership of Ruth Conklin, Karen Dimmick, Wendy Trujillo, Barbara Wing, and Victor Rodriguez, we sponsored the "Harvest

WE'LL NEVER

During our third and final year at Valley, we resolved to give Valley a Class of '71 that will long be remembered.

FORGET

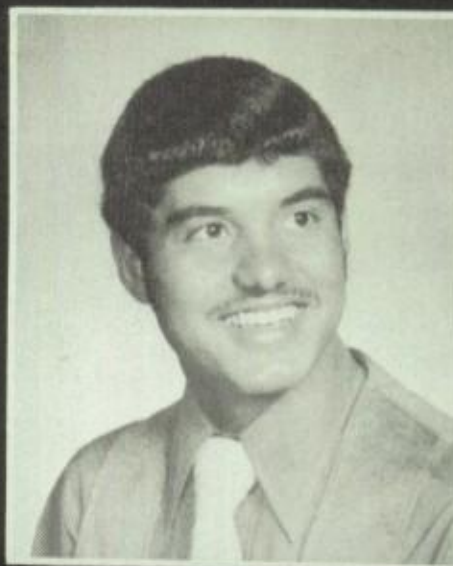

Happening" in the Sadie Hawkins tradition. We also sold victory suckers and See's suckers. We organized and sponsored the Christmas Dance held at Santa Ana College. We sold Spirit balloons, had a white elephant sale at the Swap Meet, and sponsored a class car wash. At the end of the year, we could see that our work had been worthwhile. Our class put on the prom at the Charter House. This year proved to be eventful and very rewarding.

Class leaders for the first semester were Jim Davis, Edythe Adame, Veronica Intenberg, Karen Gunter, and Joe Mendenhall. During the first semester we sold cotton candy at the Science Fair, sponsored a Rec Night and a Christmas toy assembly and ordered our senior pictures, announcements, and keys. We also painted the new senior parking lot, established a new tradition with the Senior Lunch Line and designed our senior buttons. We chose our Homecoming Queen Nancy Marval and her Senior princesses Connie Costa and Peggi Opsal. Second semester, under the leadership of Elizabeth Rose, Karen Dimmick, Ruth Conklin, Sharon Wager, and David Martinez, we sponsored a Rec Night, "Sock it to a Teacher", Baccalaureate, the Senior Luncheon, Grad Night, and the Prom.

Our senior year will always be memorable and unforgettable.

Dan Bleskey was elected to the office of president for the 1971 junior class. With much determination and a great class backing him up, Dan was able to lead the juniors to a successful and rewarding year.

Having the junior-senior prom at the Balboa Pavilion was a most successful idea. The prom and the moonlight boat rides around the bay proved to be the most unusual and exciting prom in the history of Valley.

Valley Throbbbed With Spirit

The sophomore class participated in many events during the '70-'71 school year. The class leaders did their best to promote spirit and to keep the class members as active as possible. Class officers were: President, Wayne Moore, Vice-president, Barbara Toscas, Secretary, Dori Cheseborough, Student Relations, Pam Jicha and Lloyd Conklin.

Sophomore class advisers were Mrs. Cathy McGuire and Mr. Ron Raya. With their help, the class began the year profitably by selling snow cones at the Orange County Science Fair. The class also sponsored a Rec. night in November and took part in Spirit Week.

This year's freshman class was the largest ever to enroll at Valley. The class started the year out with a somewhat confused attitude. High school presented a new type of life to most, but they soon adjusted to the way things worked. Picking up the spirit of the school, the frosh pulled themselves together to win the spirit stick in one of the first pep assemblies.

Freshmen soon became active in the many extracurricular activities, and many showed leadership ability. If this spirit continues, the Class of '74 could become one of the best classes Valley will ever have.

Administrators and Faculty Members Opened the Doors of Knowledge

Mr. Richard Theriot
Assistant Principal-Control

The Class of '71 wishes to extend its gratitude to the administrators and faculty members who helped so much to make its years at Valley years to always be remembered.

Mr. Richard Kirwan, principal, Mr. Richard Theriot, vice-principal of control, Mrs. Virginia Corrigan, vice-principal of instruction and dean of girls, Mr. Toby Thurlow, student activities director, and the guidance staff under the direction of Mrs. Ruth Ramsey, guidance coordinator, did everything possible to make the 1970-71 year prosperous and happy.

The faculty members were interested in the students and their activities. Many acted as club and class advisers. We appreciate their sincerity and their efforts to bestow high educational, moral, and social ideals on the Falcons of Valley High.

The guidance counselors at Valley spent much time and effort counseling students and channeling them into the proper courses of study.

Test results and subject grades helped in the counseling. The part of the counselor's job, however, most appreciated by the students, was the consideration shown to each individual by these dedicated men and women in helping the Falcons with their future plans.

You're so sweet. I love you like you love my own daughter. Stay sweet & smile, you're contagious smile. Thanks for your help & Best of luck, Come visit the school miss Mary.

Valley's energetic secretarial staff worked diligently throughout the year to keep the school running smoothly.

The Falcons thank them for all the effort given for the students.

We were fortunate to have such a well knit and friendly group of secretaries.

Custodial Staff Maintained Valley's Campus

Left to right: Ralph Poole, Jim Ellison, Charles Ulrich, Charles Davis, Jack Block, Tom Moody, Pete Meissinger, and Hubert Mathews.

Under the supervision of Head Custodian, Jack Block, the custodial staff worked hard to keep Valley a Falcon nest of which to be proud.

They were kept busy all over the campus: in classrooms, the cafeteria, the gym, and auditorium.

The gardeners planted shrubs and tended the lawns which made Valley a welcome sight for all Falcons. Because of their efforts, the classrooms sparkled with an atmosphere of learning. The well cared for lawns served as a flocking place for the Falcons and their friends. The friendliness of the custodians was only heightened by their endeavors to make Valley a proud home of the Falcons.

VALLEY CANDY SALE

Valley's first school wide candy sale proved to be a great success. Ordered candy was passed out after school and the sale officially began on October 5, 1970. After two weeks of selling, the totals came to 9,500 boxes sold and \$4,750 earned.

Individual Falcon winners for selling the most candy were Phyllis Favors, first, selling 370 boxes, Charlene King, second, selling 224 boxes, Carol Brown, third, selling 178 boxes, Lorraine Heath, fourth. Fifth place went to Lydia Sanchez.

Mr. John Kubas' "In" period sold the most candy as a class and were treated to a pizza party.

Nina?

Couples dance to the sounds of the "Jaspers".

The Christmas Dance, "Crystal Blue Persuasion", was held in the Mission Viejo Recreation Center in 1970. Couples danced to the music of the "Jaspers".

Mickey Young and Nina Yaugo were crowned King and Queen. Nominated earlier in the week, they were chosen by students attending the dance.

Couples had photographs taken of the formal occasion and, at the stroke of midnight, it became another Valley memory.

Time out for a little loving.

Grand Homecoming

Homecoming '70 certainly proved exciting as returning alumni crowded the campus. They were welcomed by both faculty and students. The annual homecoming assembly was held in the auditorium. As the building became packed with past and present students, Kangaroo Court was called to order. After forty minutes of hilarious fun, activity #1 came to an end.

Valley football boosters gathered at the Santa Ana Bowl where spirit rose over the Valley-Magnolia game. At half-time Queen Nancy and her court were crowned.

The finale to Homecoming 1970 was held at Santa Ana College Saturday night where it came to a splendid end as couples danced to the sounds of "Cobblestone".

Under the direction of Mrs. Vivian Ward and Miss Carol Wilcox, advisers, Valley's Wings served Valley well. Composed of junior and senior girls, Wings members were chosen for their desire to assist their school.

The girls made their own uniforms and donated their time by ushering at all events such as plays, PTA meetings, and musicals presented in Valley's auditorium.

Key Club Unlocked

Mr. Herb Covington

Valley's Key Club, under the guidance of Mr. Herb Covington and the leadership of President Anthony Scott, provided the community with service.

Among the many services, they provided a field trip for the children of Carl Harvey School to the Los Angeles Museum of Natural Arts and Sciences. The members also sold themselves to members of the Kiwanis Club as slaves for a day in order to raise funds for their treasury.

"S" Club's tradition was carried out by the annual sale of Voodoo dolls during the football season. The members also sold Tupperware products.

During the Christmas season, the girls brought cheer into the lives of many people by caroling in convalescent homes.

Future Homemakers under the direction of Mrs. Judy Connor and Miss Susan Barbour proved to be one of Valley's successful clubs. Composed of all girls, club members truly learned to be good homemakers both in sewing and in cooking.

Among their many activities was an annual pizza party for the new members and a pot luck supper. During Spirit Week, they sold popcorn balls. The girls directed and sewed all the clothes for the annual Fashion Show.

The officers were: President, Terry Saldivar, Vice-president, Jeanette Fernadez, Treasurer, Jeanette Palacio, Senior Representative, Hope Espinoza.

Future Faculty Worked to Develop High Leadership Ability

Future Faculty, led by President, Ralph Winchester, Vice-president, Becky Pennell and Secretary, Leticia Valenzuela was one of the most active clubs on campus.

Among their many activities, club members sold candy, worked at the Swap Meet, and held a concession during the Science Fair. They gave service to the community by donating Thanksgiving and Christmas baskets to the Salvation Army and by taking treats to the children at Carl Harvey School. Some of the profits were used to help the school purchase new choir robes for the Music Department. They also gave a scholarship to a deserving student.

Mrs. Wanda Paulsell acted as advisor for the group. Her co-advisor, Mr. Howard Booker was drafted in January. The club gave him a gala send off and a gift.

Using the money raised during the year, the club supplied the winning teams and outstanding individual players with trophies.

Just formed last October, Mecha has proved to be one of the most active clubs on campus.

Mecha means Movimientos Estudiantial Chicano de Aztlan. The main purpose is to enable the people of Latin American descent to enjoy first class citizenship. The club members work to improve educational, economical, social, and political aspects of life. Under the leadership of First Semester President Fernando

Arvaca, and Second Semester President Fausto Hinojosa, they showed their school spirit by being active in Spirit Week. They held a tortilla making contest, and ran a gift shop. They also have held several car washes during the year. Mecha has proved to be successful.

Ski films and various ski trips to local mountains have filled the schedules of many of the members of Valley's ski club. The dues of \$1.00 provided several various ski films of which SKI THE OUTER LIMITS and SKI RACER were two. Some of the trips taken by the ski club during the year were to Snow Summit and to Snow Valley.

For the more advanced skiers in the group there was a special Sunland Skiers Program. This program offered a more complete skiing program for those who were more proficient at this graceful sport.

Teams Show Falcon Athletes Honored

By PAUL GOTTLIEB

The close of the Falcon gridiron season found both good and poor results. Disappointment and discouragement at varsity and sophomore levels were counteracted with joy and enthusiasm by freshman and JV teams.

All teams showed great determination as they usually strive to bring victory to the Valley.

Varsity players who endeavored to bring glory to the school through skill and hard work were honored as "Player of the Week." These gridiron stars were chosen by the coaching staff as follows: Foothill, El Glaspie, El Modena, Alhambra, Corona del Mar, DeFranco, Los Alamitos, Darrel Roberts, Edison, Austin, Estancia, Redwood, Fountain Valley, Kelly, Magnolia, Compton, and Costa Mesa.

Hawkins, sophomore, and Wally Camacho, Sophomore, and Frank Foster, Sophomore, were named as the most inspirational fan team. In losing only one game, they set a record of 11 wins. Malais, freshman, and Jay Craig, freshman, shared the honor of being the most inspirational Freshman.

The children from California anticipated an exciting trip when they saw the 24 Falcon escorts to accompany them on their journey. Ten "Star" and 14 Key Club members were chosen to travel to the Los Angeles Museum of Science and Industry with the children.

Girls' League is one of the most popular clubs on Valley's campus. The main cabinet is composed of 25 to 30 girls, but every girl at Valley is a member in this club.

Under the supervision of Mrs. Lula Allison, Mrs. Mabel O'Buch, and Miss Laura McDade, the club was involved in many activities. At Christmas time they sold candy canes. They also sponsored the annual Easter Egg Hunt for the faculty children.

Once a month the cabinet held elections to give the honor of Girl-of-the-Month to some deserving senior girl. Girls' League tried to unite the girls at Valley.

Valley's varsity team proved to be one of great courage and youth. With the return of Varsity Coach Dick Hill at the helm, the Falcons found the second year of Irvine League competition to be as tough as when they had first ventured into the league.

The team was inexperienced to some degree since most of the starting players were juniors.

The Gold Tie Club, a selective group of varsity players, was established by the coaches. The first member to be selected to the club was Leroy Alaman for his expert blocking in the El Modena game.

With so many returning letterman, the team looks forward to a strong future in the league.

The coaching staff also included Coach Richard Andrade, Coach Mike Rush, Coach Charles Shaw, and Coach Ed Adams.

SOPHOMORE FOOTBALL

Led by Coach Morris Hawkins and Coach Ken Tucker, the young sophomore team completed a 1-8 record for the '70 season. They worked hard as a team to improve themselves and showed talent in the Fountain Valley game which they won 32-26.

Frank Malcom and Ron Booth led the team in outstanding plays. These two should provide stiff competition in future contests.

Rickie Walker, Robert Smillie, Willard Daniels, and Toby Rhue also displayed great potential.

The sophomores worked hard during the year and should prove a definite threat to opponents next year.

Chris Sandusky and Patti Ebert captured the "most improved" player titles in singles and doubles tennis, respectively.

The GAA'ers ended their exciting year at a banquet at which awards were given. This occasion was also highlighted by the announcement of the new officers. Work in GAA will always evoke a special kind of memory.

Frosh Flew Ferociously

Barry Rhue cleverly avoids an El Modena tackle.

The Falcon freshmen won many decisive victories as they rammed their way through the season to rack up a tremendous 8-1 record. Both defense and offense showed immense talent as the Frosh averaged 22 points while holding their opponents to 6 points.

Outstanding players were honored by being chosen "players of the week." They were: Don Alaman, Jay Craig, Ed Medina, Wendall Thompson.

This fine team, under the direction of coaches Fred Malais and Les Douma, showed the kind of spirit that Valley has known in the past.

With players of this caliber at Valley, the Falcons can look forward to a tremendous gridiron future.

Valley's 1970 water polo teams showed success in the Irvine League by improvement on an individual basis. This was proved by personal development of water polo skills.

The seven man varsity team, led by Coach Paul Herron, included most valuable player, Kenny Robinson, most improved, Craig McClement, Micky Young, Ron DeWitt, Joe Morriss, Gary Thompson, Bradley Bishop, and Captain, Richard Worcester. Kenny Robinson and Ron DeWitt were honored by being chosen members of the all Irvine League squad.

Led by Coach Russell Boggie, the "Cee" team also did an outstanding job by placing fourth in league competition. Outstanding players on the team included David Cummins and Kevin Fadgen.

Returning varsity lettermen for the 1971 season include Richard Worcester, Ron DeWitt, and Craig McClement. With this strong core, next year's squad should be relatively simple to build.

Valley's cross country teams provided one of the most exciting seasons in the school's history.

The varsity Falcon Harriers came within a narrow margin of upsetting this year's favored Irvine League Champion, Costa Mesa.

The final score in the league meet placed Costa Mesa first with 36 points and the Falcons second with 40 points. The narrow second place finish qualified the Falcons to a C.I.F. berth into the prelims in which they qualified and finished an overall 8th in this year's C.I.F. Southern Section finals.

This year's Junior Varsity captured its first Irvine League crown with a perfect 8-0 record. Manuel Marin captured an overall first place in the finish, smashing the old school J.V. record by 27 seconds.

Individual honors were given: VARSITY, Dan Gaxiola, Fidel Gurrola, Gustavo Marin, and JUNIOR VARSITY: Manuel Marin.

Valley Showed Potential Throughout Season

This year's Varsity team proved to be one of great success. The Falcons started out well, but ended up looking on the outside of the Irvine League title. The team was led by Jim Keyes with a 28.4 average per game. He led Valley's offensive attack as well as leading the defensive rebound. Another leading player on the Varsity squad was Kermit Olson. Kermit was second top scorer and he was chosen all tournament player in the La Quinta Tourney. Joe Lopez was the third top scorer. The team was coached by Mr. John Kubas.

Cagers Showed Great Vigor and Vitality

Coach Les Douma

As basketball season began, the Junior Varsity had very tough but exciting competition. Victories were few, but improvement came as the season progressed.

Inconsistency and scoring disability plagued the team throughout the season.

Led by four top players, Mike Bokosky, Dave Oliver, Keith Hall, and Randy Delano, the JV team showed spirit and good sportsmanship.

to improve individual
and team scoring

Although the sophomores had a difficult season, they, both individually and as a team, show great potential and promise for next year.

Under the leadership of Coach Ron Forsyth, the team played hard and long. They gave of themselves and often played games unnoticed.

Coach Forsyth's Falcons played the game with heart. Even though they lacked in victories, they played with an attitude of champions. They never gave up, and never ceased trying.

Valley's 1971 Swim Team, coached by Paul Herron, met tough competition, in the Irvine League. With no wins on their record for this year, the team still showed that great strength was continuously growing. Records were broken time after time as swimmers improved their personal records, as well as school records.

Leading the Falcon Varsity swimmers were Richard Worcester, Kenny Robinson, Joe Morriss, and Ron De Witt.

The Cee swim team, coached by Mr. Russell Boggie, had an impressive record that will bring

experienced swimmers onto Valley's Varsity in the years to come. Among them are Craig McClement, Bob Doumont, Don Cholodenko, and Kevin Fadgen.

Terry Gray, the only Falcon diver, successfully placed in the Irvine League. Only a sophomore, Terry met other divers with much more experience. Showing much promise for the future, he placed high in the league and was a threat to other schools.

With early victories over cross town rivals, Saddleback and Mater Dei, the 1971 Falcon nine began the season as "City Champs".

Through all competition, Valley's success came from the spirited team work promoted by dedicated players.

Swinging high in wild clashes of bat and ball, the 1970 Irvine League Champions challenged all opponents with an experienced team. Returning lettermen included: Billy Bolden, Jim Davis, Joe Glaspie, Charlie Gipson, Pat Kelly, Wayne Martin, Ron Ruppel, Mike Dreszen, Keith Taylor, Alan Hardin, Pete O'Connor, and Bob Perez.

Bill Bolden, pitcher, all league and all county player, in 1970, led his teammates to many victories. Bill was noted throughout Southern California as one of the most outstanding high school mound's men.

Valley's varsity track team once again started off on a fast pace, as they placed second in the Santa Ana tri-meet and then came on strong to win the Division III championship in the Shorty Smith Relays.

This year's track team was led by Tri-captains Sam Abrego, Enrique Adame, and Tyrone Bates. With only ten returning varsity lettermen, this year's track team was composed of many inexperienced runners.

In the Falcon's first non-league dual track meet with Tustin, the Falcons proved to be too much competition and they defeated Tustin by a narrow margin.

This years spikemen displayed their new gold sweats for the first time at the Shorty Smith Relays. In the first league meet Corona Del Mar proved to be the prey of the Falcons.

The spikemen with a strong coaching staff was made up of head coach Ernie Raugewitz, sprint coach Darrel Newman, distance coach Jim Conlay, field event coach Bill Fisher, and weighmen coach Ron Raya, enjoyed another highly successful track season.

Santa Ana / Anaheim / Costa Mesa / Garden Grove

You are holding in your hands the 1971 TALON. It looks and feels like a book; but, in reality, it is a year's culmination of tears, laughs, frustrations and deadlines. This book cannot convey the memories felt by the staff. It is the result of a year of hard work produced by a dedicated group of men and women.

I wish to express my deepest thanks and appreciation to the TALON staff editors and assistant editors. Many problems had to be solved to produce this book of treasured memories. Tony Scott and Paul Gottlieb got right down to it, worked hard and put much effort into the sports section. Carolyn Tippie, assisted by Thelma Mortley, used unbelievably unique ideas to make a great artistic club and organization section. The underclass section editors, juniors, Mike Cook, sophomores, David Vernon and Sandy Balty, and freshmen, Jerry Pike, used their individual ideas to show the many Falcon faces. Richard Worcester, one of the new staff recruits, molded together a year's happenings in the activities section. Debbie Watts brought together pictures and senior history of the past year, upon which seniors can look back and recall their years at Valley. Ralph Winchester and Daryl Bauer, also new to the staff displayed their fresh, new ideas in brightening up the scholastic part of the TALON, the academics section. Dana Wells showed careful thought and recognition in designing the faculty and administration section. Dawn Hansen brought out the feminine physical aspect of the book by showing the various sports girls are engaged in through the G.A.A. section.

My personal thanks go to our photographers and artists whose talents and creativity enhanced the originality of the other staff members. Jerry Hobel, Richard Blanchard, and their trusty darkroom were also there when the deadlines drew near. Joe Ortiz, assisted by Bob Harris, brought creative ideas to Falcon prospectives.

Special recognition goes to associate editor, Melba Jo Collins, without whom the TALON may not have been produced. Melba worked on any section whenever she was needed, cheerfully drove to Albert & James to get prints, and spent many extra hours to complete the best TALON in history.

Gwen Price took care of our business section. She enabled us to get advertisements for our book, managed our money, and arranged for yearbook distribution.

We would also like to thank Sherry Weir Jones, Sharon DiLorenzo, Steve Freers, Mr. Jerry Nicholson and everyone else who helped to produce this outstanding yearbook.

Last, but never least, was our fearless leader who "STUCK" by us and prodded us throughout the year to make our final goal and deadline. She never let us down. When we stayed after school to meet a deadline, she was right beside us, often screaming and yelling, but she was there. Yes, Mrs. Elaine Stuckey was not only our adviser but also our friend as she understood our problems and helped us put feeling into the 1971 TALON.

The memories of my staff this year will long be treasured,

Sandy Ferguson 1971 Editor-in-Chief

We have been friends a long

I know that I'm with Mike

I'm sure we will. But

I'm Glad that you realized that you cannot
Live by Love alone. So count this one up for
experience, Connie, I Liked you when I

First met you and I still do. You don't Find
the guys your age interesting, But you are
a beautiful girl Connie, don't let this dip your
chin, Hold your head up high and wipe away your
tears, its over, Connie, Get out there and
Find some body who'll love you, and treat you
Sweetly. I wanted to be that someone a year
and a half ago, Connie, Believe me, you deserve
more than what you are getting. Relax, I
know your mind is still Spinning, you were deeply
hurt and most of all you were scared. Connie,
it was a beautiful Feeling for me to know that you
trusted me enough to confide in me and I
shall never forget a friendship that is
endless, I want to talk to what's his face
and put his ~?!!~ in his place,

Good luck Connie and
I'm not going to forget
you
